Re: *Request for Copier Purchase (approved in 2023 budget)*

Dear Commissioners:

Please consider this request for the Grant County Prosecutor's Office to purchase a Sharp BP-70M31 copier and a Sharp BP-70M45 copier from Kelly Connect. These copiers were approved in the Prosecutor's 2023 Capital Outlay budget.

The total cost of the new copiers will be approximately \$12,885.40. I have enclosed a copy of the quotes for your information. These copiers were approved in the Prosecutor's 2023 Capital Outlay budget for a total of \$11,000.00. This amount was estimated through a quote from Kelley Connect in September of 2022, and the cost has since increased. Therefore, we will use Capital Outlay expense code 121.163.00.9109.594156003 for the already approved amount of \$11,100.00, and then will use expense code 001.109.00.0000.594156003 for the remainder of the invoice from the Prosecutor's budget.
